

**Bruce Grey Owen Sound Federal NDP General Meeting**  
**Re: Federal Convention – elect delegates and vote for resolutions**  
**via Zoom**

**Wednesday, February 14, 2026, 7:00 pm**

## **Resolution to ensure Resolutions get to be voted on**

**Whereas** it's important to ensure that debate over proposed resolutions happens on the floor during convention, and

**Whereas** there is value in ensuring that multiple points of view have a chance to have their say, and,

**Whereas** there is a problem of running out of allotted resolution vote time before all the proposed resolutions are able to be considered and debated, and

**Whereas** every resolution that's been submitted by EDA's are valuable and worthy of debate and consideration,

**Be it resolved that** the NDP adopt a constitutional amendment that states if a proposed Resolution has received two positive, or negative, commendations in a row without rebuttal that there be an automatic move to vote.

Resolution carried unanimously
